Gibson, with its clean, casual lines, brings an effortless, harmonic vibe to your contemporary or transitional space. A coordinating smooth and simplistic 1-1/4" diameter cabinet knob pairs melodiously with its cabinet pull. The standard pull features soft outer curves and straight lines that flow into cylindrical feet producing an easy-going feel. With four center-to-center options, all with added hand clearance, and six trendy finishes, this closed-end bar pull collection from Elements is a crowd-pleaser.
